

Leo Sisco - Biography

Leo Sisco has served as the Chairman of the Santa Rosa Rancheria Tachi-Yokut Tribe since 2019. Having been raised in a family of former Tribal leaders, public service was instilled in Chairman Sisco from a young age. He has served the Tribe in various capacities prior to serving as Chairman, including as the Assistant General Manager of the Tribe's gaming facility – the Tachi Palace Resort & Casino. With a keen eye toward tribal economic development and recognizing the importance of tribally generated revenues for the betterment of the community, Chairman Sisco has successfully led important tribal economic development endeavors for the Tribe, including a multi-million-dollar casino expansion, and a new gaming compact with the state of California. He regularly engages in intragovernmental collaboration at the local, state, and tribal level, including through regional and national organizations. Chairman Sisco was recently elected to a third term as Chairman in April 2023, and resides in Lemoore, California.
